

## **“Getting to Know... The Sound of Music” Cast List**

PLEASE READ before checking the cast list below. The directing team and I were endlessly impressed with the talent we saw in our theatre this last week. With this cast list there will be a great deal of excitement and anticipation, but also, regrettably, a great deal of disappointment. If you or your child finds themselves disappointed with these results, please do not be discouraged from auditioning for more shows in the future. Every student we saw showed incredible talent and promise. If you or your student would like honest feedback regarding their auditions as well as auditioning tips and suggestions for the future, or if you have any other concerns or grievances please contact me over email, [grommeshjonathan@gmail.com](mailto:grommeshjonathan@gmail.com).

For those of you who find your name on the cast list, congratulations! The schedule for the first week of rehearsals will be sent to you all via email.
