

## Youth Representatives- BWTC Board of Directors

*Applications for the 2024-25 term are now open!*

### Role, Responsibilities, and Time Commitment

The Blue Water Theatre Company Board of Directors believes our youth possess valuable insight and should have a voice in the decisions made by the Board. The Youth Representative positions were created to uplift and increase youth involvement within BWTC; to work toward a youth-centered experience; and to help youth share their perspectives with BWTC leadership.

Youth entering their junior or senior year are eligible to apply for a one-year term that will begin July 1, 2024 and run through June 30, 2025. These are non-voting advisory positions. Youth will attend monthly board meetings, typically held the third Wednesday of the month from 7-9 pm at BWTC and/or via Zoom. Representatives will have an opportunity to report on their work, offer opinions on the motions and resolutions before the board, and communicate other topics of student interest or concern.

Each Youth Representative may also join a board committee. Meeting days and times vary by committee.

The Youth Representatives are also charged with show/event promotion, social media content creation, fundraising event participation and various other tasks as requested by the Board.

Youth Representatives are expected to abide by all BWTC policies, including confidentiality.
